JerseyCat: Statewide Interlibrary Loan

[1]

Not finding what you need in our MAIN Library Catalog? Use JerseyCat, New Jersey's Virtual Catalog and Interlibrary Loan System, to search for and request materials by interlibrary loan from over 700 other New Jersey libraries. The items will be sent to Bernards Township Library for you.

You can search and request items online from any internet-enabled device. Set a password and you will be able to return to JerseyCat later to check on the progress of your loan. The staff at the Bernards Township Library will confirm your information and place the request with the other library. **JerseyCat works best for materials that are at least a year old and NOT found in the MAIN Catalog.**

Please allow seven to ten days for delivery, from the time you place your request. You will be called or emailed (depending on your preference) when the item arrives at the Library.
