What are the fees if my Library items are not returned on the due date?

Extended loan fees for "overdue" or late Library items are \$.10 per day on most Library items.

Museum passes are \$5.00 per day (no limit) and Rental DVDs are \$1.00 per day. Extended Loan fees accrue daily, until overdue materials are returned and may reach a maximum extended loan fee of \$5.00 for each Adult and Teen item (except Museum passes), \$3.50 for each Children's item. Late fees will not be assessed on the Library's closed dates, or when the Library is unexpectedly closed for the entire day due to inclement weather or special circumstances.

However, some items borrowed from other libraries in our network of partner libraries have different extended loan fees for "overdue" or late library items.
