## **Great New Book**

Thumbelina because of her small size, discovers that she has a secret admirer and she and her friend Reni are determined to find him out. This should be exciting, but somehow it doesn't feel quite right. Things have not been quite right since Louise moved from the house on Cinnamon Street to a condo with her grandparents, but she can't really remember why. What is holding her back? Read this sweet, sad and funny story to find out.
