

## Can I return borrowed Library items to a different library?

## Can I return borrowed Library items to a different library?

Yes, most borrowed Library items can be returned to the following libraries in our network of [partner libraries](#) [1]. The items will be checked-in and removed from your Library Account at the time it is returned, and then sent back to the owning library. However, rental movies and museum passes must be returned here to Bernards Township Library.

Library items cannot be returned to Bernardsville Library or Clarence Dillon Library in Bedminster
